# [CORKEN TRAINING] PRESS FITTING DEMO & COUNTER DAY

WEDNESDAY  
**MARCH 25**

## RICHMOND

1441 S. 9th Street  
Richmond, IN 47374

## TRAINING SESSION

9:00 – 10:00 AM

Learn how MaxiPro can help streamline your installations and improve efficiency on the job.

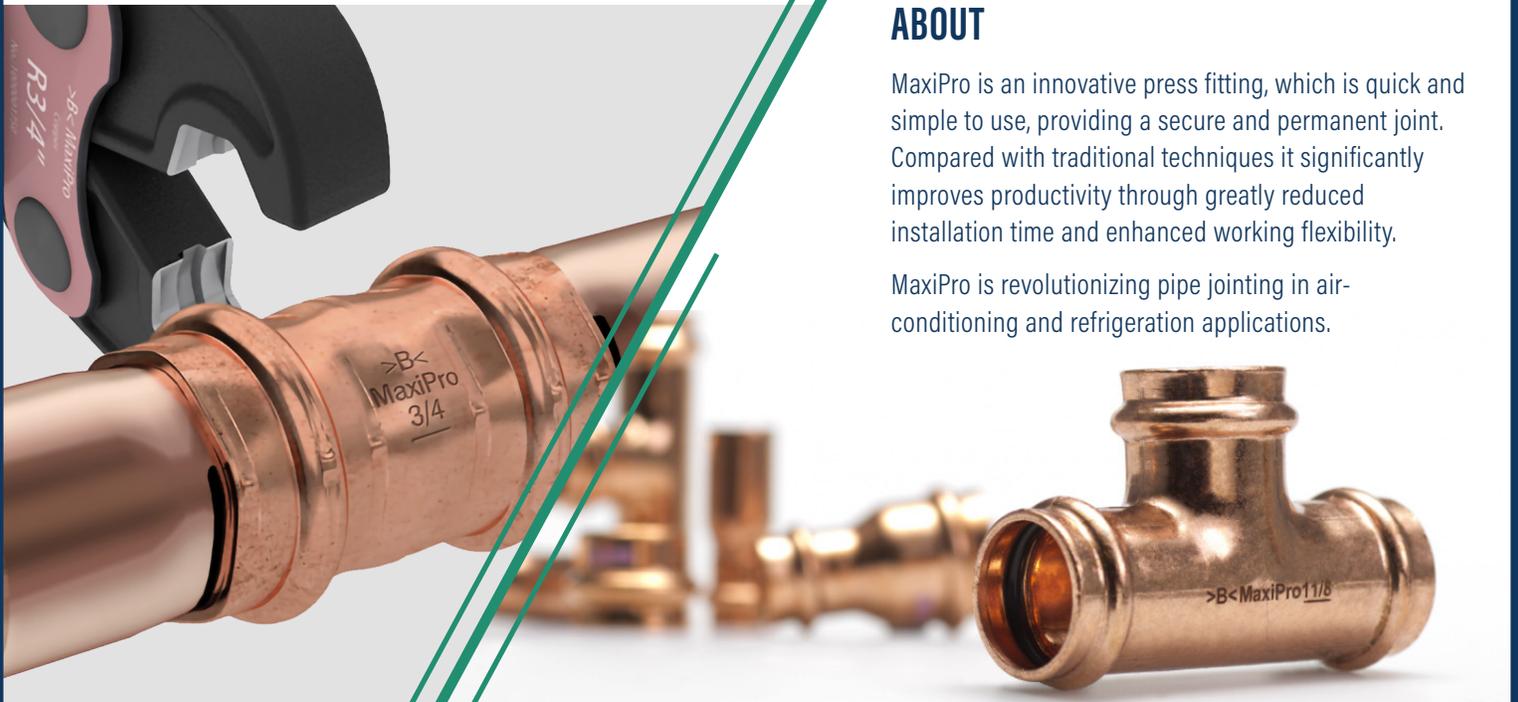

### THIS CLASS COVERS:

- MaxiPro ACR Press product and installation review
- Future of Press in our industry
- Tools to make the install easy

## COUNTER DAY

10:00 AM – 1:00 PM

This is a great opportunity to see the latest MaxiPro press fittings in action and get hands-on with the products. Our expert representatives will be on-site to provide in-depth demonstrations and answer any questions you may have.

## ABOUT

MaxiPro is an innovative press fitting, which is quick and simple to use, providing a secure and permanent joint. Compared with traditional techniques it significantly improves productivity through greatly reduced installation time and enhanced working flexibility.

MaxiPro is revolutionizing pipe jointing in air-conditioning and refrigeration applications.
