

[CORKEN TRAINING]

Fieldpiece

**ADVANCED WIRELESS
TROUBLESHOOTING
WITH FIELDPIECE JOBLINK®**

TUESDAY
AUGUST 4

TRAINING

9:00–11:00 am

COOKOUT

11:00 am – 1:00 pm

EVANSVILLE

770 E. Division Street
Evansville, IN 47711

Stop “reading” gauges and start “diagnosing” systems. This workshop moves beyond basic pressure checks to show you how the Fieldpiece ecosystem—including wireless probes, psychrometers, and manometers—transforms complex troubleshooting into a streamlined, repeatable process.

The Goal:

Eliminate callbacks, reduce diagnostic time, and provide “Proof of Performance” that justifies your repairs.
